

# Wednesday Mid-week Evening & Twilight Series 2018

## Combined Duty Rota

The Mid-week Series duty rota is customarily comprised of those with the relevant experience or qualifications **shown as competing last season**. This year, **Jeff Thompson** has again kindly agreed to be the standing Race Officer throughout the Series, thus allowing us to schedule Race Assistants and full safety boat crews for each evening. As usual, these Series are self-policing, so if you can't fulfil your duty as scheduled, **please make alternative arrangements with others on this list**.
