Those of you that keep your eye on the club's calendar of events on the website at [Club events: sailing, social, other - July 2022](#) will have spotted the new event being organised for juniors every Wednesday evening.

There will be a junior race series from 6.15 to 6.45pm every Wednesday evening and anybody taking part is then very welcome to join in with the Bronze fleet racing which starts at 7.05pm.

Barrie is our Race Officer tomorrow and he will be there from before 5pm to assist anybody that hasn't raced before to understand how these things are organised.

A good place to start would be to look at the Rough Guide to Racing on the club website at [Start of Race, Signals, Flags - Haversham Sailing Club](#) or for a more detailed guide have a look at [Starting to Race](#)

Don't worry about watches if this is your first time racing, the Race officer will be calling out the times for you and we will have experienced helms on the water to guide you.

Come along and try your hand, if you don't have a boat don't forget to go into the member's area and book a club boat.
