## **Buoyancy Aid Amnesty**

A lot of buoyancy aids have gone missing. Some belong to the club and some are  
privately owned.

Can everyone please check all the buoyancy aids and lifejackets you have at home  
and bring back any that don't belong to you?

Many thanks

Ann

## Membership

The Management board have reluctantly made the decision not to admit any more new members this year.

Our lovely club has rightly become very popular but unfortunately our resources and facilities are becoming very overstretched.

## How You Can Help...

**Haversham Sailing Club is run by the members. Everyone is responsible for the upkeep and care of the club. Here are some ways to help look after the club and the facilities:**

**Put away the club boats and kayaks correctly (even if you didn't get them out!).**

**If you are camping, take a turn at cleaning up the changing rooms and showers.**

**Put away the buoyancy aids so everyone can continue to borrow them.**

**Take glasses back to the bar. If the bar is closed, then wash and dry them in the kitchen and put them on the bar counter.**

**Wash, dry and put away any used cups, crockery and cutlery. Wipe down the kitchen.**

**Take the tea towels home and wash them.**

**Volunteer for an extra duty when there is a gap.**

**Take rubbish down to the bin at the end of the drive. (There are often black sacks left outside the clubhouse)**

**Remind others to wear buoyancy aids.**

Make sure the bank and water are clear when the racing dinghies are launching or returning.

Sweep out the club room.

Keep your berth tidy.

Be ready to help out whenever you are needed.

**A big thank you to the many members who already contribute so much in so many ways to make the club such a fantastic place for everyone to enjoy.**
