Get together for club members and friends
Friends and families welcome
Bar
Galley

The club Management Board recognise that over the last two years, and possibly before that, many new members have joined the club who have never seen the inside of the clubhouse, or as kayaking or paddleboarding members have never been out in a dinghy.

We are planning to correct this on Saturdays 24th July and 21st August when we will hold an open house and have all the larger club boats on the water with experienced helms onboard to take members for a sail. These dates have been chosen to be more than 16 days apart so that any new members, or the club volunteers, that are on holiday for one date can probably make the other.

Please come along between 10am and 4am for a trip out on the water (it's normally less crowded in the mornings) and the opportunity to purchase the offerings from the bar and galley at club prices. There will also be a number of the club "old salts" present on these days so if you have any queries about the club then this is an opportunity to catch up with the team.

Match Racing

2pm

It's a Knockout, just like the Euros or Wimbledon.

Come and join in the Match Racing at 2pm on Saturday the 7th.

Pit your sailing skills in the best of three short triangular or sausage courses against one other sailor. The winner goes through to the next round. The identically matched boats will be chosen on the day but most probably will be our new Alphas, but could be Lightnings or 4.7s. The draw takes place once all the competitors have signed in. Normal racing rules apply, but with a 2 minute start sequence and anybody over the line at the start is disqualified from that race!

Solstice Evening Relay Race

7.30 pm - 10.30 pm

Teams of between 4-8 sailors compete in 2 man boats involving a complete crew change every few laps.

Other random rules depend on the creativity of the race officer!

Choose your boat, find a few friends and sign on.

Prizes for the best illuminated boat - don't forget port and starboard lights because the last part of the race will be in the dark.

Barbeque lit (bring your own food)

Hot pies at the end of the race

Camping available

Go Faster with Haversham Sailing Club

Alistair and Thomas have both set aside some time to run further masterclass or Sail Faster sessions.

Alistair is looking to run regular Monday evening sessions from 6pm to dusk, subject to holidays. We envisage that these sessions will be mainly adults looking to improve their racing results and are limited to six boats per week at a cost of £15/head. We are currently taking bookings for the 19th and 26th July.

Thomas will be fitting in further Saturday sessions when the busy club calendar allows. These sessions are also limited to six boats at £15/head and we currently

have places available on Saturdays July 24th (no club Picos available) and September 4th. Thomas could possibly add some alternate week evening sessions if the demand is there,

Please contact mail@havershamsc.org for a place.
