Goodbye to Robin Stubbs

Robin will be moving away from the area in the near future and saying goodbye to Haversham sailing Club.

He has been a member since 1995 and a Director since 2005.

Members will know him from his roles as safety boat manager where he wrestles with the logistics of getting a working boat with a helm and crew on the water for every single club event and for his unstinting support for the juniors sailors. He

watches over Buccaneers on Saturday afternoons and is instigator and chief of Junior Week.

Robin's current jobs include managing the Facebook page, keeping the calendar up to date and a regular duty as beach master on Saturday social sailing days. In the past, he was a power boat instructor, Lightning class captain, winner of the Chaton trophy and a significant contributor to Haverchat (the club's printed magazine). His columns under the pen name "Backmarker" were eagerly read as every sailing gaffe was shared with the whole club. If you forgot to put the bungs in and sank, tipped your wife overboard or ate someone else's lunch - don't worry, Backmarker would make sure everybody knew.

So goodbye Robin and good luck in your new home. We will miss you very much.
