

HAVERSHAM SAILING CLUB

RYA Affiliated | RYA Recognised Training Centre | MKBYSA Racin

Flotsam and Jetsam

4th March 2022

Tomorrow **Buccaneers Pool Party**

Wolverton Swimming Pool

Saturday 5th March

from 5-6pm

Please arrive 20 minutes before, so you are ready to get into the pool at 5pm

1. Please make sure that all swimmers are accompanied in the water by a responsible adult.
 2. One Adult (16years+) can be responsible for two children under the age of 8.
- Supervision of children out of the pool area is the responsibility of the parent.

Please can you

email buccaneers@havershamsc.org to confirm your attendance, so we can get an idea of numbers

Can you help? Would you like to earn a bit of extra cash?

We are looking for someone to provide a hot meal after racing on Wednesday evenings through spring and summer.

Members book meals in advance based on the choices offered so no waste and you know how many you are catering for.

All profits will be yours to keep.

If you are interested please contact vicecommandore@havershamsc.org to discuss.

Rigging Day

Saturday 2nd April

9.30am

Come and help rig all of the club boats so that we can see if there are any defects or missing parts before that season starts.

You are welcome if you know about how the boats should be rigged or if you would like to learn about it.

Contact Gillian Thompson on berthing@havershamsc.org

Environmental Policy

The club now has an Environmental Policy which can be found on the website [here](#).

Eventually an Environmental Action Plan, monitoring strategy and Wildlife Action Plan will be added to it.

Please take time to look at the plan and if you have any comments or would like to be involved in developing it further then contact Gillian Thompson on berthing@havershamsc.org.

Updated Information Camping and Caravanning Conditions

An updated version is now available on the website [here](#).

Please note in particular the 5th item concerning vehicles in the dinghy park

Club Boats- details and usage

An updated version is now on the website [here](#).

Please note that the on line booking system is still in place, but there is now a book in the sail container to be filled in after using the club boat to tell us about any problems or faults with the boat.

**New Kayak Launching
Place**

Work on the new kayak and paddle boarding launch spot at the north end of the lake started at the work party.

We hope this will make a great place to start a kayak or paddleboarding session and reduce congestion on the club house bank during dinghy racing.

Many thanks to Jeff Thompson for planning and leading the project.

Volunteers Wanted Club Boat Maintenance and Repair

We are looking for people to take care of the various classes of club boats.

Ideally you would regularly check the boats and the club boat defects book in the sail container and either carry out repairs where you can or let Gillian Thompson know if you are unable to.

She will source any materials that you might need to do the work.

The classes that need looking after are:
Alphas, Toppers, Wayfarers, Picos and
Lasers.

Contact Gillian Thompson on
berthing@havershamsc.org

Reminders

REMEMBER!

Putting the Buoys Back ...

Would all safety boat crew please be aware that, when the Race Officer has asked for buoys to be repositioned to allow for wind direction, these should be returned to the customary positions at the close of a day's activities.

Dog Mess

Please do not put dog mess in the refuse bin at the end of the lane.

Our refuse collectors inform us that they will not sort through the bin for recycling if there is any dog mess.

Clear up after your dog and take everything home.

Thank you.
