Haversham Sailing Club management consists of a Board of Directors, Club Officers, and Groups. The Directors are responsible for running the club and are empowered to appoint Officers and Groups with delegated powers. Directors meet as part of the Management Board meetings held monthly apart from during August. Processes defined in the Articles & Memorandum of the Company govern the convening of meetings, in particular the Annual Meeting at which Directors present themselves for re-election. The Directors main role is to determine strategic planning and to involve as many members as possible in the Club organisation and activities.
