Saturdays 17th and 24th: All Day Practical sessions

### **May Course**

Thursdays 13th and 20th: Evening Theory sessions  
Saturdays 15th and 22nd: All Day Practical sessions

### **July Course**

Thursdays 15th and 22nd: Evening Theory Sessions  
Saturdays 17th and 24th: All Day Practical sessions

Cost £65

Please contact [training@havershamsc.org](mailto:training@havershamsc.org) to sign up  
to any of these courses.

## Tuesday Improver Sessions

Tuesday Improver sessions will be starting on the 6th April.

Sessions are every Tuesday until 7th September, starting at 6pm and finishing at 9pm or dusk (whichever is earlier). The safety boat will be on the water and there will be shore volunteers most evenings.

We are also considering running some single-hander refresher sessions, double-hander familiarisation sessions and/or basic race training on some Tuesdays.

Please contact [training@havershamsc.org](mailto:training@havershamsc.org) if you are interested.

## Work Party

Saturday 17th April

09.30

This is our first main work party of the year and there are many jobs which can be done quite safely in small groups.

Work that needs doing includes:

Preparing berths in the north park,  
Changing the club Wayfarer berths to give more

space,  
Getting all the abandoned boats and boards  
into a skip,  
Cleaning the club Lightnings and Omega,  
Rigging the club Alphas,  
Checking fittings/foam on the racing hut masts -  
to name but a few.

So please come and join us getting the club  
ready for the new season, whether you can  
spend an hour or two or the whole day!

Contact Chris Hughes for more information  
[berthing@havershamsc.org](mailto:berthing@havershamsc.org)

## **Volunteer Wanted**

We are looking for a keen DIYer to be responsible for  
the 7 club Lasers to carry out maintenance/repairs as  
and when required. If you are interested and would be

happy to help, please contact Chris at

[berthing@havershamsc.org](mailto:berthing@havershamsc.org)

**Re-Opening The Club**

**STEP 2**

**No earlier than**

**12th April**

Independent sailing and other boating activities

Independent sailing and other boating activities.

Organised racing.

Angling allowed including night fishing.

Camping allowed.

General estate access and walking allowed.

Mixed household RYA guidance for sailing and racing applies.

Rule of 6 or 2 households applies for onshore activities.

No clubhouse access except monitored toilet access during organised events only.

Masks must be worn indoors.

Bar may be opened after organised events for outside consumption. Weather permitting.

Participation may be affected by travel rules.

## **Project Manager Required**

Do you have experience in managing building projects?

The club has been planning to build an extension for a number of years but our initial grant application was refused. David Hall has organised much of the initial works on the scheme and we have full planning permission and a detailed foundation design but we need to progress to building regulation approval and detailed quotations in order that we can make new grant applications. Are you able to assist with this?

Please email [mail@havershamsc.org](mailto:mail@havershamsc.org) if you can offer some assistance

### **Don't Forget**

The changing rooms are still closed, the water is still very cold and the best of sailors can find themselves having a little unexpected dip...

Come prepared with a warm change of clothes!

## **Club Boats**

The latest version of 'club boats' is now in the members' area of the website.

It explains which club boats are for hire, where they are and where their sails, spars and foils are normally kept.

Also in the members' area under 'E forms' is the booking form which should be used before using any of the club boats.

### **COVID-19 Safety and Club Boats**

Book a numbered club boat on the website. This is essential so that boats can be quarantined before going out again.

Find your chosen boat and get foils/sails from sail container, the lock code is same as gate code.

Do not touch other sails/foils and surfaces in

container.

## Reminder

Face masks must be worn in the clubhouse.
